

Wake Up for Wapato

November 7th • 10am-2pm

Join the Friends of Wapato Park to learn what you can do to help restore this community treasure.

- Take a boat ride with UW Tacoma Environmental Science students to discover more about the lake's natural processes
- Visit with agencies and non-profit organizations that are working together to develop a long-term lake management plan
- Participate in a water monitoring and sampling session
- Join a litter control clean-up crew
- Be part of a work party to help weed the shoreline plantings along the lake
