STUDY SESSION 2017 YEAR END REPORT BUDGET/FINANCIAL UPDATE

Chief Financial Officer, Erwin Vidallon began the presentation giving a District-wide summary of all funds noting that year to date savings is $2.2M. Mr. Vidallon reviewed several charts showing the sources of revenue and areas of expense for the District in 2017. Within the general fund, he commented that overall revenue was under budget by 0.4%, in the amount of $115,853. In the area of tax collection staff stated that property tax was under budget by $66,236; sales tax revenue was over $118,206. Mr. Vidallon also commented that City shared costs for maintenance MOUs under $132,830 due to timing of the start of new MOUs. He further stated that General Fund expenses were under budget by 6.1% resulting in a savings of $1,724,661. Savings was due in part to wages and benefit savings from vacant positions, supplies & services and expenses correlated to City shared costs for maintenance MOUs. There was a net savings of $1,608,807 versus budget. Commissioners Reid asked about how net savings will be used. Staff indicated that staff will approach the savings with a balanced approach to react to community demand and putting some funding in reserves.

Within the area of the Zoo, reported attendance was 692,000 guests; which was under budget but attendance was over 5,443 over budget Zoolights. Sales tax collections exceeded budget by 4.8% and earned revenue $164,000 higher than budget. Staff commented that Zoolights was successful with both attendance and revenue exceeding budget.

Mr. Vidallon commented that within the area of Zoo expenses, a major focus was on capital projects, planning (Aquarium, SAMI, Rocky Shores). 2017 expenditures were below budget projections primarily due to changes in staff & timing of hiring.

At Northwest Trek there were more than 212,000 guests (4th highest in NWT history); Trek exceeded budget by 2,590 visitors. Mr. Vidallon stated that attendance was noteworthy since there were no new exhibits this year. Revenue for Trek was reported as up due to sales tax collections exceeding budget by 4.8% but with earned revenue $56,000 below budget. In regards to expense, expenditures were below budget projections primarily due to changes in staff & timing of hiring.
Point Defiance Marina figures were then reviewed. 2017 had a stable fishing season, with higher visitor volume resulting in increases of merchandise and gas sales. Boat rental, boat storage and boat launch revenue were all up over 2016. Expenses included start-up costs for kayak rental business and increase in part-time wages for shuttling boat launch customers to and from parking due to construction. The Marina also experienced unexpected expenses of $24,000 for fuel system repair.

At Meadow Park Golf Course Mr. Vidallon reported that record setting rainfall lead to lowest February with overall 2017 golf rounds down 7.6% from budget. As a result, revenue was down 8.8%. Staff reduced expenses $87,472 to help offset loss of revenue.

Several tables were shown outlining the capital funding and budget. Data was shown that detailed how Bond dollars were allocated within the major buckets of projects. Mr. Vidallon commented that the combination of projects associated with Point Defiance Zoo & Aquarium, Regional Parks and Community Centers (primarily Eastside), represents approximately 85% of the total Bond funding. In addition, he indicated that the revenue data illustrates other funding sources for some projects, such as grants, state funding, city funding, and foundations/partnership donations. Mr. Vidallon then briefly highlighted current economic conditions in the region and county. He noted that the population has been steadily increasing the past few years, and the unemployment rate continues to drop. Average home values and per capital income has steadily increased. Staff commented that the District will continue to be a fiscal conservative by strengthening cash reserves year over year.

Next steps include a potential budget adjustment and finalization of the third bond issuance.

Commissioner Reid requested additional information on leveraged bond funds.

Commissioner Hanberg asked about the current cash reserves. Mr. Vidallon commented that currently reserves are at 22%. There was brief Board and staff discussion about the cash reserve policy of the Board. Commissioner Hanberg also request that Board members might have access to financial dashboards located on the District’s intranet.

**REGULAR MEETING**
The regular meeting of the Metropolitan Park District Board of Park Commissioners was called to order by Commissioner Smith at 6:00p.m.

Commissioner Hanberg moved to excuse Commissioner Baines; seconded by Commissioner Reid and passed unanimously.

**SPECIAL PRESENTATIONS** None

**RESIDENTS REPORT**
President Smith commented that she threw out the first pitch representing the District at the Rainiers game last weekend.

**STANDING COMMITTEE AND COUNCIL REPORTS**
Art & Culture Advisory Council
Commissioner Pointer commented that the committee met on April 17\textsuperscript{th}. At that meeting Amy McBride from the City of Tacoma spoke about the City’s public art process and selection criteria. The committee also discussed equity of art distribution throughout the city.

Nature & Environment Advisory Council
Commissioner Hanberg commented that at the last committee meeting the group toured Dune Peninsula and the Wilson Way sight.
Joint Municipal Action Committee
President Smith commented that at the last JMAC meeting the agenda included an update on the RFQ for Click! The committee also heard some details on the Pierce County Opioid Summit.

EXECUTIVE DIRECTOR’S REPORT
Executive Director, Shon Sylvia commented on the following:
- Marina Becker recognized Janet Bissell on the occasion of her retirement from the District in the Recreation Department after 23 years.
- John Houck recognized Wil Waddell on the occasion of his retirement from Point Defiance Zoo. Mr. Waddell began working for the zoo in 1986.
- Last weekend’s Parks Appreciation Day had a great turn out with 641 volunteers.
- Tacoma City Marathon is running through Point Defiance Park and along Ruston Way this Sunday, April 29th.
- Boating community meeting is set for this Friday with representatives attending from several boating and fishing organizations.

CITIZEN COMMENTS
Linda Sliva commented on an easement proposal on property next to Stewart Height Park which is close to her home. She noted she has met with Metro Parks Staff about the issue. She commented that Metro Parks Staff and the Tacoma Housing authority were not interested in buying the property. She urged the Board to consider buying the undeveloped portion of property that borders the park.

Stephanie Smith commented that she has been meeting with community organizations about the potential partners for taking over Portland Avenue Community Center. She noted that these partnerships are more in line with community expectation and do not include housing. Ms. Smith also commented that First Creek Neighborhood has 20 of derelict properties in the city. In addition, she commented on the Frist Creek Action Planned that was developed and adopted by the city in 2013.

Luetta Patton distributed a packet of historical documents related to Portland Avenue Community Center. She then commented on her family’s history and local ties to Tacoma. Ms. Patton then stated that the RFPs for the Portland Avenue Community Center were not specific enough.

Wolf Patton commented that he is serving a member on the Portland Avenue selection committee. He noted his concern regarding low-income housing and loss of green space at the Portland Avenue site. He stated that he is rejecting all three proposals received.

Cynthia Fleppa commented that her child attends the Waldorf School. She noted that the school is looking to relocate and feels they could be successful in the Portland Avenue Community Center. She further commented that the Center site should not be used for low-income housing.

Paula Van Pul commented that there is a species of woodpecker on the Eastside, which is on the endangered species list. She noted that its habitat would be disturbed if there was developed on the Portland Avenue Community site. She spoke of her concern for future low-income housing being brought to her neighborhood. She commented that there are plenty of other spaces within Tacoma for low-income housing.

MINUTES OF THE MARCH 26, 2018 REGULAR BOARD MEETING
Commissioner Hanberg moved to adopt the minutes as presented; seconded by Commissioner Pointer and passed on a vote of 4-0 (Commissioner Baines being excused).

RESOLUTION NO. PW36-18: BILLY RAY MEMORIAL PROJECT ART SERVICES CONTRACT AWARD TO JASMINE BROWN

Commissioner Hanberg moved to adopt the resolution; seconded by Commissioner Pointer.

Rebecca Solverson, Arts Administrator for the City of Tacoma stated that the selection committee for this project has unanimously selected Jasmine Brown. She showed several examples of Ms. Brown’s work and noted she is an eastside resident. Commissioner Pointer commented on the great work that Ms. Brown has done in the past.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).

RESOLUTION NO. PW37-18: BROWNS POINT LIGHTHOUSE PARK CONTRACT AWARD PUGET PAVING AND CONSTRUCTION, INC. BID NO. J2018-05

Commissioner Hanberg moved to adopt the resolution; seconded by Commissioner Pointer.

Debbie Terwilleger commented that this project involves site work and improvements to provide a paved parking lot and ADA-accessible sidewalks down to the north beach area. She commented five bids were received and Puget Paving was the low bid.

There was brief Board discussion related to percentage for the arts for this project. Staff noted there is $3800 set aside for the art portion.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).

Commissioner Hanberg moved to adopt the resolution; seconded by Commissioner Pointer.

Debbie Terwilleger commented this item was reviewed at the April 11th CIC meeting. She noted that two bids were received for this project. She noted that the elevator has been out of service for over a year. Commissioner Hanberg commented that this issue should have been taken care of much sooner. Staff commented that there are very few companies that due this sort of work and wait times are long.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).
RESOLUTION NO. R39-18: POINT DEFIANCE ZOO & AQUARIUM ASIAN FOREST SANCTUARY SOLAR PROJECT ACCEPTING AND APPROPRIATING $50,000 FROM TACOMA PUBLIC UTILITIES EVERGREEN OPTIONS GRANT

Commissioner Hanberg moved to adopt the resolution; seconded by Commissioner Pointer.

Alan Varsik commented that this grant funding will fund solar panels for the Asian Forest Sanctuary Exhibit. Matching funds will come from the Zoos operating funds.

Commissioner Pointer commented favorably on the solar project.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).

RESOLUTION NO. R40-18: EASTSIDE COMMUNITY CENTER ACCEPTING AND APPROPRIATING $30,000 FROM THE GREATER METRO PARKS FOUNDATION FOR THE BILLY RAY MEMORIAL

Commissioner Hanberg moved to adopt the resolution; seconded by Commissioner Pointer.

Debbie Terwilleger commended that this resolution accepts and appropriates $30,000 from the Greater Metro Parks Foundation for Eastside Community Center art construction and installation. She noted these funds are from private donations.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).

Commissioner Hanberg moved to adopt the resolution; seconded by Commissioner Pointer.

Alan Varsik commented that this is the largest philanthropic gift the Zoo has received for empathy for animals.

Zoo Community Engagement Coordinator, Craig Standridge provided additional detail on what the grant will fund. Mr. Standridge commented that this grant will fund a partnership with Arlington Elementary. There grant will allow for program and curriculum development and delivery, all weather clothing, greenhouses, staff, storage and technology to work with the school students and families to promote empathy towards animals and connect families to the natural area in their community.

Board members commented positively on the partnership and program.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).

SINGLE READING RESOLUTIONS None

SECOND READINGS RESOLUTIONS
RESOLUTION NO. RR35-18: A RESOLUTION OF THE BOARD OF PARK COMMISSIONERS OF THE METROPOLITAN PARK DISTRICT OF TACOMA, PIERCE COUNTY, WASHINGTON, AUTHORIZING THE ISSUANCE AND SALE OF UNLIMITED TAX GENERAL OBLIGATION BONDS IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED $50,000,000 TO CONSTRUCT, EQUIP, RENOVATE, ACQUIRE, AND MAKE CERTAIN CAPITAL IMPROVEMENTS TO THE FACILITIES OF THE DISTRICT AND TO PAY CERTAIN COSTS OF ISSUANCE OF THE BONDS; PROVIDING FOR THE ANNUAL LEVY OF TAXES TO PAY THE BONDS; AND DELEGATING TO THE CHIEF FINANCIAL OFFICER OF THE DISTRICT THE AUTHORITY TO DETERMINE THE FINAL TERMS OF THE BONDS UNDER THE TERMS AND CONDITIONS SET FORTH HEREIN.

This resolution was moved and seconded at the April 9th regular Park Board meeting.

Being no additional comment, the question was called and the resolution passed on a vote of 4-0 (Commissioner Baines being excused).

FIRST READING RESOLUTIONS  None

UNFINISHED BUSINESS
LINK LIGHT RAIL IMPACT TO WRIGHT PARK
Marty Stump commented that the Link expansion will pass by Wright Park. A map showing the expansion project was reviewed. He pointed out the vertical elements needed for overhead wiring for the Link, which will be located behind the curb on Division Ave. Mr. Stump stated that the Overhead Catenary System delivers power to operate to light rail street cars. He stated that the OCS pole locations accommodate underground utilities and are spaced to balance the electrical load shared along the alignment. It was noted that the existing banner poles located on Division Ave in front of the Burger Bar will be relocated to the east of North 1st Street outside of Reinhous Restaurant.

Commissioner Reid briefly commented about the unexpected storm water issues that resulted on Stadium Way the last time work was done in that area. Mr. Stump commented that the District is not expecting those sort of issues to occur or to adversely affect the park.
Rebecca Solverson commented that Pierce Transit does have its own process for the public art portion of this project.

NEW BUSINESS  DISTRICT WEBSITE
Hunter George commented that the District will be improving its website. He stated that mobile/tablet usage on the Metro Parks Tacoma website hit a tipping point in 2013 which means that more people now use a mobile device to access the District website than a desktop computer and the number of mobile users continues to rise. Mr. George stated that currently 89% of registrations are completed on line with 60% of those being done with a mobile device. He discussed the fact that lost revenue is resulting from the lack of compatibility of the District site on mobile devices.
Next steps include an RFP on April 28th with the intent to have a new website launch next year. Mr. George commented that at this time cost is estimated to be $150,000 plus.

BOARD COMMENTS
Commissioners Reid & Pointer commented that he attended Parks Appreciation Day at Titlow Park. They commented on the great volunteer work at that location by employees of Comcast.
Commissioner Hanberg commented on the Earth Day event he attend at the Nature Center.

**EXECUTIVE SESSION**
Being no additional commented the Board recessed into executive session for 30 minutes to discuss potential litigation.

**ADJOURN:**
Being no further business, the meeting was adjourned at 8:15.m.

- **CONTACT**
  - Marina Becker 253-305-1024
Metro Parks Tacoma has served free lunches and snacks at the Summer Playground Program sites for the last 24 years. This program is funded through an annual allowance from the Superintendent of Public Instruction (OSPI). For the summer of 2018, and the 2018-19 school year, the OSPI agrees to provide funding to MPT for meals and meal expenses. This funding is for the cost of lunches, delivery, staff time and administrative cost to provide this service. MPT is reimbursed by OSPI at $3.8575 per reimbursable meal and at $0.9100 per reimbursable snack.

This is the third year contract with Pioneer Human Services, awarded via a request for proposal (RFP) process issued December 4, 2015. MPT received two proposals in response to the RFP. Both proposals met all minimum requirements. Both were fully vetted, including interviews, meal samples and site visits to the food preparation locations. The Pioneer Human Services proposal included delivery to the program sites, the meals contained greater variety and the costs per meal were more than one dollar less than the other proposal.

Lunches will be served weekdays at six Summer Playground Program sites, one community center and one day camp site within the district. The Summer Playground and Free Meal Distribution Program will begin June 18th and end August 24th, 2018. It is estimated that a total of 20,000-25,000 meals will be served this summer at MPT sites and another 2,500-5,000 meals will be served during youth programs, such as Late Night programs, trips and other events throughout the 2018-19 school year.

**FISCAL IMPACT:** An allocation from the Superintendent of Public Instruction provides resources to compensate the selected vendor for the free meal program, in addition to reimbursing Metro Parks for some staff time and administrative costs to provide this service. The Parks and Recreation Department operating budget will be used to pay for miscellaneous services and supplies.

**ADDITIONAL INFORMATION:** For additional information, contact Marina Becker, Director of Parks & Recreation at 253-305-1024.
WHEREAS, the Board of Park Commissioners have established policies governing the purchase of goods and services for Metro Parks Tacoma through the adoption of Resolution No. RR21-15 Authorizing Amendment of the Purchasing Policy for the Metropolitan Park District of Tacoma; and

WHEREAS, the Board of Park Commissioners through the adoption of Resolution No. R51-02, Adopting Board Policies and Procedures, authorized the use of a Purchasing Resolution for consolidation of all purchases seeking approval by the Board of Park Commissioners; and

WHEREAS, Metro Parks staff recommends the Board of Park Commissioners authorize the purchase of goods and services detailed in Exhibit A attached; now, therefore, be it

RESOLVED by the Board of Park Commissioners of the Metropolitan Park District of Tacoma to authorize the Executive Director to enter into the necessary agreements to purchase or acquire the following goods and services as detailed in Exhibit A to this resolution.

The foregoing resolution was adopted by the Board of Park Commissioners of the Metropolitan Park District of Tacoma at a meeting held on _________________, 2018.

MEMORANDUM

TO: Board of Park Commissioners

THROUGH: Shon Sylvia, Executive Director

FROM: Debbie Terwilleger, Director of Planning & Development

SUBJECT: Point Defiance Park Waterfront Phase 1
Guy F. Atkinson Construction, LLC Contract Change Order No. 18 for Trail, Bridge, and Peninsula

DATE: May 9, 2018

EXECUTIVE SUMMARY: This resolution authorizes contract Change Order No. 18 to Guy F. Atkinson, LLC for the Point Defiance Park Waterfront Phase 1 Project-Trail and Bridge & Peninsula, in the amount not to exceed $163,019.62 to be directly reimbursed by EPA, bringing the contract total to an amount not to exceed $54,392,236.16 (including tax).

CAPITAL IMPROVEMENT COMMITTEE RECOMMENDATION: The Capital Improvement Committee reviewed this resolution at their meeting on April 25, 2018 and recommended forwarding this item on to the full Board for approval.

BACKGROUND: Metro Parks continues to advance the improvements to the Point Defiance Park Waterfront Phase I project that includes the Trail & Bridge, Boat Trailer Parking, Park on the Peninsula, Roundabout and all associated utility and site improvements. Point Defiance Park Waterfront Phase I includes a complex set of sub-projects including capping of a contaminated site that will continue to be used for public park purposes.

Work under this Change Order generally includes additional project costs attributed to:

- Construction of the TYC Dock standpipe consisting of:
  - Installing new Points of Connection (POC) at the top of gangways F,D North,C and A. From these POC's a dry pipe system is run down the new gangways to a new standpipe on the float at the bottom the of the gangway. At that point, the new system ties into the existing system on the floats.
- Removal and disposal of approximately 300 cy of excess material located from Lot A.
- Alternate route survey due to 54th Street shut down.
- Adding a new 200A/3 pole circuit breaker in Panel 4PA1 and new aerial conductors to serve dock B.
- Creating temporary access through Lot A to allow for the soil nail wall to progress.

SUBJECT: Point Defiance Park Waterfront Phase I
SCI Infrastructure LLC Contract Change Order No. 1

DATE: May 9, 2018

EXECUTIVE SUMMARY: This resolution authorizes contract Change Order No. 1 to SCI Infrastructure LLC for the Point Defiance Park Waterfront Phase I Roundabout in the amount of $691,023.43 (including tax).

CAPITAL IMPROVEMENT COMMITTEE RECOMMENDATION: The Capital Improvement Committee reviewed this resolution at their meeting on April 25, 2018 and recommended forwarding this item on to the full Board for approval.

BACKGROUND: Metro Parks continues to advance the improvements to the Point Defiance Park Waterfront Phase I project that includes the creation of the roundabout and all associated utility relocations.

Point Defiance Park is the northern destination of a 7-mile waterfront trail that extends from the Tacoma Dome (and Tacoma Dome Transit Station) along Ruston Way waterfront to the Park; it also connects with the City of Tacoma’s bike route that travels through neighborhoods and small business districts. The Park hosts WSDOT’s Point Defiance Ferry Terminal connecting to Vashon Island. Point Defiance Park is a regional destination for people throughout the Puget Sound region. The immediate vicinity (5 mile radius) is home to over 100,000 residents who would consider alternative transportation to the Park if safety improvements were made to the entrance.

The roundabout increases safety at the intersection by reducing the vehicle conflicts, slowing traffic, reducing confusion by increasing wayfinding with well-defined accesses, and increases pedestrian safety by reducing the crossing distance and highlighting the crossing for approaching vehicles. The intersection will be illuminated with LED lighting, increasing safety and visibility for drivers and non-motorized users.
The entrance to Point Defiance Park at S.R. 163 (N Pearl Street) and N 54th Street poses significant problems for non-motorized users as there are no sidewalks or bike lanes to navigate the five-way intersection (S.R. 163 running north and south, N 54th Street to the east, N Park Avenue to the west, and N Waterfront Drive northwest).

As a measure to further promote non-motorized access to the park the proposed plan is to install four bicycle and pedestrian crossings to navigate the roundabout at the entrance to the park. This project is in alignment with the City of Tacoma’s bicycle network long-term recommendations, the City of Tacoma’s 2013-2018 Transportation Improvement Program, and the Point Defiance Park comprehensive plan.

This Change Order accounts for the handling and disposal of unforeseen contaminated material found beneath the existing Pearl Street paving during excavation, as well as a number of minor paving, concrete and utility adjustments to the contract.

SCI Infrastructure LLC was selected through a formal bid process, Bid J217-30, and contract#: 2017155J was approved by the Board of Park Commissioners on November 27, 2017, Resolution#: PW100-17 in the amount of $ 2,281,552.20. Change Order No. 1 increases the contract by $ 691,023.43 which brings the total contract amount to $ 2,972,575.63. The project funding is not being increased, but re-allocated from “Future Construction” under Pt. Defiance Park Waterfront Phase 1.

**FISCAL IMPACT:** The funds for the Waterfront Phase 1 SR163 N 46th St to N54th St (Roundabout) construction will be accounted for in the 2014 UTGO Capital Improvement Bond and funding from WSDOT Local Programs. For project implementation purposes the following is a breakdown of the funding sources and project budgets.

MEMORANDUM

TO: Board of Park Commissioners

THROUGH: Shon Sylvia, Executive Director

FROM: Debbie Terwilleger, Director of Planning & Development

SUBJECT: 2018 Recreation & Conservation Office (RCO) WWRP and YAF Grant Applications Authorizing Resolution-Foss Central Park, Pipeline Trail Connections, SERA Complex and First Creek Sports Lighting

DATE: May 9, 2018

EXECUTIVE SUMMARY: The Recreation & Conservation Office has announced that they are accepting grant applications now for the 2018 funding cycle. Staff has prepared applications for Foss Central Park, SERA Complex, Pipeline Trail Connections, and First Creek Sports Lighting that are consistent with the criteria as established by the RCO and supports the District’s Capital Improvement Program (CIP). As part of the application process RCO requires that the submitting agency pass an Authorizing Resolution as a commitment to the funding request.

CAPITAL IMPROVEMENT COMMITTEE RECOMMENDATION: The Capital Improvement Committee reviewed this resolution at their meeting on April 25, 2018 and recommended forwarding this item on to the full Board for approval.

BACKGROUND: The RCO was established to coordinate and administer eleven outdoor recreation and conservation grant programs as a single clearing house for application, review, and contract award. There is no limit to the number of applications that can be submitted, however, the process is involved and requires an extensive application procedure including presentations to review committees. RCO requires that local agencies approve a resolution authorizing application for funding assistance. This resolution needs to be submitted to RCO by the Technical Completion Deadline of July 13, 2018.

WWRP -The first group of applications is due May 1, 2018 with final awards being approved by the State Legislature in mid-2019. Funds are not available until Fall 2019 upon finalizing of funding agreement contracts. The following is an overview of the grant process schedule:

- May 1, 2018 Application Deadline
- May 21-25, 2018 Technical Review by RCO
- August 13-17, 201
- October 2018 Presentations to RCO Review Committees
- June 2019 Announcement of Project Rankings
- Fall 2019 Grants Awarded
- Fall 2019 Contract Approval/ Funds Available
YAF- applications are due May 1, 2018 with final awards being approved by the State Legislature in mid-2019. Funds are not available until Fall 2019 upon finalizing of funding agreement contracts. The following is an overview of the grant process schedule:

- **May 1, 2018**: Application Deadline
- **May 1-31, 2018**: Technical Review by RCO
- **July/August 2014**: Presentations to RCO
- **July 13, 2018**: Technical Completion
- **August 3-24, 2018**: Evaluation by Committee
- **October 2018**: Announcement of Project Rankings
- **June 2019**: Grants Awarded
- **Fall 2019**: Contract Approval/ Funds Available

Staff developed an internal review process to look at a wide range of project alternatives. Review criteria included consistency with the District’s Capital Improvement Program; availability of local match; schedule; project merits, weighed against grant program criteria; and past application experience. Preliminary selections were also reviewed with the RCO Staff to evaluate the merits of the project relative to the various grant program requirements. Based upon this process Staff is proposing to submit four (4) applications as follows:

**Foss Central Park Development- WWRP Local Parks Grant Program:**
Total Project Cost $2,609,450  Grant Request $500,000  Matching Funds $2,109,450

**Description:** In partnership with the Foss Development Authority, this project is a continuation of the restoration and redevelopment of the Foss Waterway located at the base of downtown Tacoma. The project is part of the mile long waterfront esplanade linking existing park spaces, housing developments, and the Museum of Glass. In a bigger context, this project is part of the longer 6 mile linkage that extends from downtown Tacoma to Point Defiance Park. This work will improve a one acre site into a pocket park with esplanade extension, site furnishings, play features, sitting and picnic areas, and signage.

**Pipeline Trail Connections- WWRP Trails Grant Program:**
Total Project Cost $2,000,000  Grant Request $1,000,000  Matching Funds $1,000,000

**Description:** In partnership with the City of Tacoma and Pierce County, this project aims to complete a portion of the Pipeline Trail; create a direct connection from the trail and Salishan community to Swan Creek Park via a new pedestrian bridge; and add lighting along another stretch of the trail for safety and added year-round use. The portion of the trail to be completed will include connection to a new pedestrian Safe Routes to Schools hand activated crossing signal (to be installed by the City of Tacoma) adjacent to First Creek Middle School along the busy Portland Avenue.

**SERA Complex, Synthetic Turf Conversions- YAF:**
Total Project Cost $2,350,000  Grant Request $350,000  Matching Funds $2,000,000

**Description:** The SERA Baseball Complex has 6 fields in natural grass which limits the playability of this facility that was designed to accommodate a broad range of community, social, and recreational needs. This project will create accessible sports fields to meet the needs of a wide range of current community groups and teams. The construction will include the conversion of 2 fields (Purple and Orange) to synthetic turf for year round play.
First Creek Sports Lighting- YAF:
Total Project Cost $350,000  Grant Request $175,000  Matching Funds $175,000

Description: This project will add to the improvements on and around the First Creek/Eastside Community Center campus. On the site with the Eastside Community Center, and First Creek Middle School, the multi-purpose field is designed to accommodate a broad range of community and recreational needs. This will help to extend the usable hours of the existing accessible sports field to meet the wide range of current community needs. The construction will include new LED sports lights, and all necessary appurtenances.

FISCAL IMPACT: The RCO Grant Program operates on a 50% matching funds basis. Project selection was based on the availability of providing the required financial match through budgeted funds, currently identified in the CIP; partnership participation; and/or underway private fund raising initiatives. Metro Parks will be required to certify that matching funds are available to support selected projects prior to submission to the legislature for final approval.

RESOLUTION NO. R49-18

AUTHORIZING GRANT APPLICATIONS FOR FOSS CENTRAL PARK DEVELOPMENT (WWRP), PIPELINE TRAIL CONNECTIONS (WWRP), SERA COMPLEX, SYNTHETIC TURF CONVERSIONS (YAF), FIRST CREEK SPORTS LIGHTING (YAF)

WHEREAS, this resolution/authorization authorizes the person identified below to act as the authorized representative/agent on behalf of our organization and to legally bind our organization with respect to the above Project(s) for which we seek grant funding assistance managed through the Recreation and Conservation Office (Office).

WHEREAS, state grant assistance is requested by our organization to aid in financing the cost of the Project(s) referenced above; Now therefore, be it

RESOLVED, by the Board of Park Commissioners of the Metropolitan Park District of Tacoma that:

1. Our organization has applied for or intends to apply for funding assistance managed by the Office for the above “Project(s).”

2. The Executive Director is authorized to act as a representative/agent for our organization with full authority to bind the organization regarding all matters related to the Project(s), including but not limited to, full authority to: (1) approve submittal of a grant application to the Office, (2) enter into a project agreement(s) on behalf of our organization, (3) sign any amendments thereto on behalf of our organization, (4) make any decisions and submissions required with respect to the Project(s), and (5) designate a project contact(s) to implement the day-to-day management of the grant(s).

3. Our organization has reviewed the sample project agreement on the Recreation and Conservation Office’s WEBSITE at: https://rco.wa.gov/documents/manuals&forms/SampleProjAgreement.pdf. We understand and acknowledge that if offered a project agreement to sign in the future, it will contain an indemnification and legal venue stipulation (applicable to any sponsor) and a waiver of sovereign immunity (applicable to Tribes) and other terms and conditions substantially in the form contained in the sample project agreement and that such terms and conditions of any signed project agreement shall be legally binding on the sponsor if our representative/agent enters into a project agreement on our behalf. The Office reserves the right to revise the project agreement prior to execution and shall communicate any such revisions with the above authorized representative/agent before execution.

4. Our organization acknowledges and warrants, after conferring with its legal counsel, that its authorized representative/agent has full legal authority to enter into a project agreement(s) on its behalf, that includes indemnification, waiver of sovereign immunity (as may apply to Tribes), and stipulated legal venue for lawsuits and other terms substantially in the form contained in the sample project agreement or as may be revised prior to execution.

5. Grant assistance is contingent on a signed project agreement. Entering into any project agreement with the Office is purely voluntary on our part.
6. Our organization understands that grant policies and requirements vary depending on the grant program applied to, the grant program and source of funding in the project agreement, the characteristics of the project, and the characteristics of our organization.

7. Our organization further understands that prior to our authorized representative/agent executing the project agreement(s), the RCO may make revisions to its sample project agreement and that such revisions could include the indemnification, the waiver of sovereign immunity, and the legal venue stipulation. Our organization accepts the legal obligation that we shall, prior to execution of the project agreement(s), confer with our authorized representative/agent as to any revisions to the project agreement from that of the sample project agreement. We also acknowledge and accept that if our authorized representative/agent executes the project agreement(s) with any such revisions, all terms and conditions of the executed project agreement (including but not limited to the indemnification, the waiver of sovereign immunity, and the legal venue stipulation) shall be conclusively deemed to be executed with our authorization.

8. Any grant assistance received will be used for only direct eligible and allowable costs that are reasonable and necessary to implement the project(s) referenced above.

9. Our organization acknowledges and warrants, after conferring with its legal counsel, that no additional legal authorization beyond this authorization is required to make the indemnification, the waiver of sovereign immunity (as may apply to Tribes), and the legal venue stipulation substantially in form shown on the sample project agreement or as may be revised prior to execution legally binding on our organization upon execution by our representative/agent.

10. If match is required for the grant, we understand our organization must certify the availability of match at least one month before funding approval. In addition, our organization understands it is responsible for supporting all non-cash matching share commitments to this project should they not materialize.

11. Our organization acknowledges that if it receives grant funds managed by the Office, the Office will pay us on only a reimbursement basis. We understand reimbursement basis means that we will only request payment from the Office after we incur grant eligible and allowable costs and pay them. The Office may also determine an amount of retainage and hold that amount until the Project is complete.

12. Our organization acknowledges that any property owned by our organization that is developed, renovated, enhanced, or restored with grant assistance must be dedicated for the purpose of the grant in perpetuity unless otherwise allowed by grant program policy, or Office in writing and per the project agreement or an amendment thereto.

13. Our organization acknowledges that any property not owned by our organization that is developed, renovated, enhanced, or restored with grant assistance must be dedicated for the purpose of the grant as required by grant program policies unless otherwise provided for per the project agreement or an amendment thereto.

14. This resolution/authorization is deemed to be part of the formal grant application to the Office.

15. Our organization warrants and certifies, after conferring with its legal counsel, that this resolution/authorization was properly and lawfully adopted following the requirements of our organization and applicable laws and policies and that our organization has full legal authority to commit our organization to the warranties, certifications, promises and obligations set forth herein.
The foregoing resolution was adopted by the Board of Park Commissioners of the Metropolitan Park District of Tacoma at a regular meeting held on _______ 2018.

MEMORANDUM

TO:        Board of Park Commissioners
THROUGH:   Shon Sylvia, Executive Director
FROM:      Debbie Terwilleger, Director of Planning & Development

DATE:      May 9, 2018

EXECUTIVE SUMMARY: The Washington State Historical Society (WSHS) has announced that they are accepting Heritage Capital Project (HCP) grant applications now for the 2018 funding cycle. Staff has prepared an application for W.W. Seymour Botanical Conservatory that is consistent with the criteria as established by the WSHS and supports the District’s Capital Improvement Program (CIP). As part of the application process WSHS requires that the submitting agency pass an Authorizing Resolution as a commitment to the funding request.

CAPITAL IMPROVEMENT COMMITTEE RECOMMENDATION: The Capital Improvement Committee reviewed this resolution at their meeting on April 25, 2018 and recommended forwarding this item on to the full Board for approval.

BACKGROUND: The HCP program was created in 1995 by an act of the Washington State Legislature establishing HCP as a program of the Washington State Historical Society. It provides a path to capital funds for projects that increase public access to history through historic preservation and history interpretation. WSHS requires that local agencies approve a resolution authorizing application for funding assistance. This resolution needs to be submitted to WSHS by May 18, 2018 along with all other final application materials.

The application is due May 18, 2018 with final awards being approved by the State Legislature in mid-2019. Funds are not available until Fall 2019 upon finalizing of funding agreement contracts. The following is an overview of the grant process schedule:

- May 18, 2018: Application Deadline
- May–June 2018: Threshold Review
- June –July 2018: Panel Review
- August 15, 2018: Public Ranking Meeting in Spokane
- Sept. 2018: Ranked List Submitted to state capital budget
- Jan.–June 2018: Legislature determines state capital budget
- July 2019: Awards Announced
- June 30, 2021: Project Completed
Staff developed an internal review process to look at a wide range of project alternatives. Review criteria included consistency with the District’s Capital Improvement Program; availability of local match; schedule; project merits, weighed against grant program criteria; and past application experience. Based upon this Staff is proposing to submit one (1) application as follows:

**W.W. Seymour Botanical Conservatory Restoration:**
Total Project Cost $2,250,000  Grant Request $750,000  Matching Funds $1,500,000

**Description:** In the 2004 Master Plan it outlines guidelines for the restoration of the Seymour Conservatory based on the Secretary of the Interior’s Standards for the treatment of historic properties. The condition assessment that was conducted found priority items to be repaired or restored: Life safety, improved access, systems upgrades, building envelop repairs and recreating the historic facades.

**FISCAL IMPACT:** The Washington State Historical Society, Heritage Capital Project Grant Program operates on a 66.67% matching funds basis. Project selection was based on the availability of providing the required financial match through budgeted funds, currently identified in the CIP; partnership participation; and/or underway private fund raising initiatives. Metro Parks will be required to certify that matching funds are available to support selected projects prior to submission to the legislature for final approval.

SUBJECT: Authorizing Surplus and Disposal of Personal Property

DATE: May 7, 2018

EXECUTIVE SUMMARY: This resolution authorizes the surplus and disposal of personal property no longer in service or required for future operations from the Department of Parks and Recreation.

BACKGROUND: Section V. RCW 35.61.132 authorizes Metro Parks Tacoma to sell, exchange or dispose of any personal property acquired for park purposes when such property is no longer suitable for park or other recreational purposes. The items requested to be surplused are no longer in usable condition or required for operations. Staff routinely evaluates equipment to determine on-going operating and maintenance costs as compared to the cost of replacement. Replacement equipment is evaluated for cost efficiency, environmental standards, and durability. Staff is requesting that the following items be listed as surplus:
