STUDY SESSION  TPU RATES PRESENTATION
Anita Gallagher representing TPU was present to give details on the 2019-20 rate proposals. Ms. Gallagher introduced the new Executive Director of TPU, Jackie Flowers. Ms. Gallagher briefly touched on the overreaching rate principles including: customers are billed only for costs required to run their business, rates are based on the cost to serve each customer class, TPU allocates costs fairly amongst all customers and the rate structure provides stable and predictable bills for customers. The proposed 2019/20 adjustments include 2% increase for power and 2.55% increase for water. Ms. Gallagher noted the power rate increase recovers inflationary increases in operating and capital expenses such as technology projects and enhanced cyber security. Several graphs were reviewed that illustrated that Tacoma Power’s rates are competitive with others in the region. Ms. Gallagher stated that the proposed water increases would cover replacement of existing water infrastructure, technology upgrades and regulatory compliance and risk mitigation.
In order to control costs Ms. Gallagher stated that TPU will continues to look at assets and project management, creating efficiency improvement projects, and enhancing safety.
Commissioner Pointer inquired about incentives for solar power. TPU staff indicated that solar generation in the northwest needed during the winter is not efficient.
Commissioner Hanberg commented that he would support the idea of MPT becoming a potential partner for TPU when looking at clean renewable power.
Commissioner Reid encouraged TPU to consider a municipal rate. Brief discussion followed about the need to recover those costs if a discounted municipal rate were in place.
Ms. Gallagher invited Board to the Tacoma Electrical Ride and Drive event being held on September 15th at the Lemay Museum.

REGULAR MEETING
The regular meeting of the Metropolitan Park District Board of Park Commissioners was called to order by Commissioner Smith at 6:00p.m.

EXECUTIVE DIRECTOR'S REPORT
Executive Director, Shon Sylvia commented on the following:
- Swan Creek Public Meeting, Thursday, August 30, 6:00pm, Salishan Family Investment Center, 1724 E. 44th St., Tacoma. The meeting is a follow-up to a July 12 public meeting and is part of a process to update the park’s 2011 master plan.
- Pacific Seas Aquarium Opening Weekend, September 7 - September 9. The public ribbon cutting will be Friday, September 7th 9:30am

CITIZEN COMMENTS
Angila Pierce submitted a comment via email for the record re: Kandle Park Basket Ball Courts.

Linda Sliva commented that she lives behind Stewart Heights Park. She noted that a piece of property between her property and the park has recently been sold. She requested the District request an easement. She requested that any new additional information about the property be shared with her. Ms. Sliva also commented about her concerns related to weekend park use and problems with picnic shelter rentals including cars in the park, illegal parking and loud music. She suggested more coordination with Tacoma Police, improved signage, and placement of rocks to help with cars driving onto park lawns.

Matt Newport commented that he hosts monthly bike rides in Swan Creek Park. Mr. Newport further commented that after doing some research that he would like to encourage the Board to consider remaining the Park, as John Swan may not have been in good standing with tribes in the area.

Heidi White commented on the issues she has witnessed at Manito Park on weekends including use after park closing time, trucks driving on the park lawns, alcohol and drug use. Ms. White suggested the use of barriers, improved signage and better weekend supervision of the park.

Venus Dergan commented that there is a problem with weekend use in Manitou Park including vehicles in the park and loud music. She commented that the District must do something to address the misuse of the park. Ms. Dergan commented that TPD does show up when called but are often ignored.

Pennie Smith commented that she has seen an increase in park misuse in Wapato Hills Park on the weekends.

President Smith requested that staff address the concerns raised by the citizens that spoke this evening.

MEMORANDUM

TO:        Board of Park Commissioners

THROUGH:   Shon Sylvia, Executive Director

FROM:      Debbie Terwilleger, Director of Planning & Development

SUBJECT:   Point Defiance Waterfront Phase 1
            OAC Services, Inc. Contract Amendment No. 5

DATE:      September 5, 2018

EXECUTIVE SUMMARY: This resolution authorizes contract Amendment No. 5 to OAC Services, Inc. for the Point Defiance Waterfront Phase 1 Project in the amount of $130,958.22, bringing the contract total to an amount not to exceed $1,075,545.79.

CAPITAL IMPROVEMENT COMMITTEE RECOMMENDATION: The Capital Improvement Committee reviewed this resolution at their meeting on August 29, 2018 and recommended forwarding this item on to the full Board for approval.

BACKGROUND: Metro Parks continues to advance the improvements to the Waterfront Phase I project at Point Defiance that includes the Trail & Bridge, Boat Trailer Parking, Park on the Peninsula, and all associated utility and site improvements. Waterfront Phase I includes a complex set of projects balancing a contaminated site that will continue to be used for public park purposes and needs to be completed within a very specific schedule driven by fish windows.

OAC Services, Inc. was selected from the Metro Parks A&E roster. Select firms were contacted to determine qualifications and availability and OAC was selected as being the best qualified to provide the proposed professional services. OAC Services, Inc. has been providing project management support services to assist with the GC/CM delivery method and application for project approval from the State of Washington Capital Projects Advisory Review Board (CPARB). OAC Services, Inc. has participated in the selection of the general contractor, subcontractor procurement; facilitation of value engineering efforts, negotiation of contract guaranteed maximum prices and GC/CM, MPT, and design team integration.

Due to the complexity of this project, and working closely with EPA, additional oversight support is required to carry us through project closeout.

The contract was approved by the Board of Park Commissioners on July 13, 2015 with Resolution # PW46-15 in the amount of $600,000.00 for GC/CM Project Management Support. The Contract was written in the amount of $530,579.00 and Amendment No. 1 added additional on-site project manager support in the amount of $64,215.00 which brought the total to $594,794.00.
Amendment #2 was approved by the Board of Park Commissioners on February 27, 2017 with Resolution #: PW21-17 in the amount of $105,898.00 for a total contract amount not to exceed $700,692.00 for additional project manager support.

Amendment #3 was approved by staff on December 8, 2017, in the amount of $34,000.00 for a total contract amount not to exceed $734,692.00 for additional project manager support.

Amendment #4 was approved by the Board of Park Commissioners on January 8, 2018 with Resolution #: PW3-18 in the amount of $209,895.57 for a total contract amount not to exceed $944,587.57 for additional project manager support.

Staff is requesting approval for Amendment No. 5 for OAC Services, Inc. in the amount of $130,958.22 for a total contract amount not to exceed $1,075,545.79. The project is extended beyond the estimated completion date and additional GC/CM management support is needed.

SUBJECT: Contract Amendment#7 for A&E Services with Site Workshop for the Pt. Defiance Park Waterfront Phase I

DATE: September 10, 2018

EXECUTIVE SUMMARY: This resolution authorizes the Executive Director to execute a contract amendment #7 with Site Workshop in an amount not to exceed $615,428 for additional A & E services related to the Point Defiance Park Waterfront Phase 1 Project.

CAPITAL IMPROVEMENT COMMITTEE RECOMMENDATION: The Capital Improvement Committee reviewed this resolution at their meeting on August 29, 2018 and recommended forwarding this item on to the full Board for approval.

BACKGROUND: In November 2013, the Board of Park Commissioners approved a $300,000 contract hiring of Site Workshop to do the 10% design efforts to define Waterfront Phase 1. Completion of this study led to the approval in 2014 by the Board of Park Commissioners of an A&E contract with Site Workshop to lead the completion of the Waterfront Phase 1 design. Six (6) contract amendments were subsequently executed, as listed below.

</tbody>
</table>
The project scope for the contract with amendments includes:

**Primary Projects:**

1. **Triangle Development & Parking** – Irrigation planning & design, adding fill and soil erosion control, lighting and utility coordination, creation of wall and slope stabilization and providing an expanded overflow parking.
2. **Trial, Bridge & Parking** – Build an 18-20’ wide bridge to continue the trail over the boat launch parking and the WSDOT highway leading to the ferry terminal. Anticipated bridge length is 550’.
3. **Park on the Peninsula** – EPA is reimbursing MPT for the costs to cap and armor the shoreline of the Peninsula. Once completed, MPT will then finish the park area at the Peninsula by providing parking, irrigation, a public restroom and power stubs for events.
4. **Pearl Street Roundabout** -- Provide design coordination and permitting with the City of Tacoma and Washington Department of Transportation on the proposed roundabout at the entry to Point Defiance Park.

Since the last Waterfront Phase 1 contract board approval, the project has grown in size and scope resulting in requiring additional design services. The additional scope included in Amendment # 7 is listed below:

**Additional Project Scope:**

1. Provide additional Geo-technical inspection services for activities specific to the Remedial Act.
2. City of Tacoma Permitting for Peninsula, Triangle and the Roundabout.
3. Scope adjustments including; Design for Tacoma Yacht Club, Expanded Construction Administration for Peninsula and Trail & Bridge.
4. Additional time due to elimination of the ramps and stairs providing dock access.
5. Scope adjustments to develop entry signage for the roundabout that also required structural engineer services.
6. Re-design of Roundabout Plans and Specifications from GC/CM to Design, Bid, Build.
7. MACC has grown from $46,000,000 to more than $54,000,000.00

Staff reviewed a proposal from Site Workshop and recommends the Board approve a contract amendment with Site Workshop in the amount of $615,428 for a total contract amount of not-to-exceed $6,624,465.00.

**FISCAL IMPACT:** A scope of services has been negotiated with Site Workshop LLC in the amount of $6,624,465.00. The amount of project funds that have been allocated to the Pt Defiance Waterfront Phase 1 project from the Metro Parks Tacoma 2014 UTGO Bond is $16,125,000.00. EPA will be reimbursing Metro Parks the amount of $ 149,874 for this amendment.

MEMORANDUM

TO: Board of Park Commissioners

THROUGH: Shon Sylvia, Executive Director

FROM: Erwin Vidallon, Chief Financial Officer

SUBJECT: Adopting an Interlocal Agreement by and between Metro Parks Tacoma (MPT) and Tacoma Public Schools (TPS) related to instructional services

DATE: September 6, 2018

EXECUTIVE SUMMARY: Staff recommends the Board of Park Commissioners approve a resolution to allow the Executive Director to enter into an Interlocal Agreement under the Master Agreement with Tacoma Public School for the purpose of instructional services.

BACKGROUND: Metro Parks Tacoma (MPT) and Tacoma Public Schools (TPS) have been operating collaboratively under a Master Interlocal Agreement since 2002. In 2013, TPS and MPT updated the Interlocal Agreement to include Joint Use and Development of Facilities and Open Spaces. The 2013 Interlocal Agreement provides a process and procedure for planning, development, operation, supervision, rehabilitation and maintenance of present and future properties and facilities.

The Agreement focused on the following goals:

- Effectively and efficiently manage use of TPS and MPT facilities and grounds for the benefit of Tacoma’s citizens;

- Encourage joint use of their respective facilities and grounds and give priority usage, after the owning agency’s programming and/or on-going community obligations are met, to the requests submitted by the other agency; and

- Encourage joint and cooperative ventures, including cooperative programming, and facility maintenance and development.

As a result, TPS and MPT enjoy more programming opportunities within their facilities and TPS has requested that Metro Parks provide additional programming related to wildlife, ecology, parks and recreation. This proposed Agreement for Instructional Services allows for programming to be provided by either agency. In addition, it offers a consistent template to follow and will help streamline processes and yield efficiencies for both agencies.
Pursuant to this proposed Interlocal Agreement, the TPS Superintendent and Metro Parks Executive Director, as chief executive officers of their respective agencies, are charged with the responsibility of implementing the policy directives of this Agreement through sub-agreements. Together, they will develop, implement, and administer the necessary administrative procedures and rules required for effective and efficient management of the instructional services and programming and negotiate the specific terms for each program.

**FISCAL IMPACT:** Either agency is able to create and coordinate contracts based on need for the services at negotiated rates. The payment amounts will depend on the number of instructional services requested by the agency.

**ADDITIONAL INFORMATION:** For additional information, please contact Erwin Vidallon, Chief Financial Officer, at 253-305-1081.
METROPOLITAN PARK DISTRICT OF TACOMA

RESOLUTION NO. R77-18

ADOPTING THE INTERLOCAL AGREEMENT BY AND BETWEEN
METRO PARKS TACOMA AND TACOMA PUBLIC SCHOOLS
RELATED TO INSTRUCTIONAL SERVICES

WHEREAS, the Metropolitan Park District of Tacoma (MPT) and Tacoma Public Schools (TPS) have a well-established historical record over a period of many years for the successful and efficient joint use of their respective facilities for the benefit of the community; and

WHEREAS, the Interlocal Cooperation Act, as amended, and codified in Chapter 39.34 of the Revised Code of Washington permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population and other factors influencing the needs and development of their local communities; and

WHEREAS, both agencies are willing to provide instructional services related to wildlife, ecology, parks and recreation on a negotiated basis; and

WHEREAS, an Interlocal Agreement for instructional services will serve as the basis for delivering the requested instructional services, each of which will be detailed and reflected in sub-agreements to the Interlocal Master Agreement; now, therefore be it

RESOLVED by the Board of Park Commissioners of the Metropolitan Park District of Tacoma that they hereby authorize the Executive Director to negotiate final terms and execute the Interlocal Agreement for Instructional Services, and be it

FURTHER RESOLVED by the Board of Park Commissioners of the Metropolitan Park District of Tacoma that we appreciate the efforts of Tacoma Public Schools in their willingness to partner with Metro Parks for the benefit of the community we jointly serve.

The foregoing resolution was adopted by the Board of Park Commissioners of the Metropolitan Park District of Tacoma at a regular meeting held on ______________, 2018.
