Preschool Re-enrollment Request 2020-2021 School Year

Please fill this form out whether you want to enroll your child next year or not. We need a written response from each family. Thanks!

Child’s Name_________________________________________ Gender_____ Date of Birth____________________

Name of person filling out form ___________________________ Email ______________________________

Please indicate with a checkmark what your preference for the next school year is (Sept. 2020 - May 2021). Notification of acceptance in a particular section will be sent as soon as we determine availability. If you are unsure where your 4 year old should be placed, please discuss with your teacher. We recommend indicating a second choice by placing a “2” in the appropriate slot. You will most likely be awarded your first choice UNLESS it is already full when your request is received.

☐ I would like my child to be placed in the section checked below.

Please return this form to the front desk between January 6th at 9:00am and January 31st at 4:00pm. No forms will be accepted prior to this time. Space cannot be guaranteed if forms are not received by the deadline. Preference is given based on when the form is received so there is a benefit to turning it in asap after the enrollment period opens.

All preschool families are required to be current members of the Friends of the Tacoma Nature Center for the entire school year.
