STUDY SESSION QUARTERLY CAPITAL PROJECTS UPDATE

Debbie Terwilleger commented that this presentation covers the 4th quarter of 2019. Board members were reminded of the 2014 bond categories as well as the adopted 6 year capital plan. Ms. Terwilleger commented that actual funding spent through December 2019 was $16.8 M. A summary slide outlining the funding sources, leveraged funds and partnership funds was reviewed. In the 4th quarter total dollars spent was $9.6 M including $9,261 in funding added to the District Art fund. Staff noted that during the 4th quarter 8 project scopes were initiated, 7 scopes were amended and 18 scopes were completed. Projects in construction during the 4th quarter included: PDZA Filtration System Improvements, PDZA Mechanical Upgrades, Center at Norpoint Roof, Waterwalk Restroom, Oak Tree Park, TOA Site Demolition, Northwest Trek Bear Fence and Overlook, Tech-Calsense Irrigation and Installation Tech-Enterprise Public Wireless Networking.

Completed Projects included Trek Asphalt overlay, Trek Bald Eagle Exhibit, and Irrigation improvements to Ruston Waterwalk.

Projects in design during the 4th quarter included: Point Defiance Loop Trail & Viewpoints, PDZA Parking Improvements, NW Trek Commissary / Hay Barn, NW Trek Water Systems Evaluation, NW Trek Tram Station, Point Defiance Owen Beach Renovation, Point Defiance Marina Renovations, MPT Headquarters Renovation, Swan Creek Phase 2, Meadow Park.
Bridge at Hole 13, Meadow Park Clubhouse, Foss Waterway – Waterway Park, Foss Waterway Park – Melanie’s Park, and Dickman Mill Park.

Ms. Terwilleger then showed several slides concerning the Owen Beach improvements that are in permitting. She noted that Washington Sea Grant through the Washington Coastal Resilience Project has informed the design through evaluation and projection of sea level rise with an anticipated as up to 6’ of rise with storm surge by the end of the century.

Several drawings of Titlow Park were then reviewed. Staff commented that current planning is structured around the idea of a basic concept of naturalization and activation of the former TOA area. Work can be implanted in phases that can build upon one another and as driven by recreation and education programming for this site.

At the Point Defiance Marina construction will get underway in a multi-phase effort to bring approximately $1M in renovations to the existing boathouse and marina. Staff commented that work will include replacement of a number of pilings beneath the old boathouse, replacements of under-deck utilities under portions of the new boathouse as well as repair of wood rot at existing doors, building siding and a new coat of paint for the entire facility.

At First Creek, a donated public open space project by Trust for Public Land is to include children’s play and public gathering space. Ms. Terwilleger commented that work is to get underway in early summer of 2020 and includes climbing features. The project is currently in final design review and permitting phase.

The Board was informed that Gas Station Park is currently in the preliminary design phase working with $350K funding provided by the City of Tacoma. A Public meeting was held last week to review early renovation concepts. Staff noted that construction is planned to be completed in 2020.

Photos from Swan Creek were then reviewed and staff remarked that the design for improvements to Swan Creek Park are currently in the permitting phase and include the formal vacation of a significant amount of former street right-of-way within the park boundaries. Phase 1 to include improvements to park access, restrooms, off-leash area, picnic pavilion and landscape amenities.

Ms. Terwilleger reviewed several renderings of the Dickman Mill Headsaw renovation. The Dickman Mill project is in permit review and scheduled for bidding in the spring of 2020.

Board members were informed that Melanie’s Park on the Foss is in final design and permitting phase and will likely get under construction late 2020 or early 2021 contingent upon completion of City of Tacoma stormwater outfall at this site.

A scope was prepared in late 2019 for improvements to Ryan’s Park with improvements to focus upon park entries and access, including a pedestrian bridge to serve also as westerly park entrance consistent with the City of Tacoma proposed Bicycle Boulevard. Staff stated that public art may also be employed to enhance and better delineate the park entries.
At Point Defiance Park, a signage package for Dune Peninsula in being prepared for bidding and installation in early 2020.

Commissioner Hanberg requested additional information on the percentage for the arts funding.

Commissioner Pointer requested additional information on interpretative signage for Jack Tanner Park.

**REGULAR MEETING**
