REGULAR MEETING
The regular meeting of the Metropolitan Park District Board of Park Commissioners was called to order by Commissioner Reid at 6:00p.m.

SPECIAL PRESENTATIONS  COVID 19 RESPONSE UPDATE
Shon Sylvia opened the presentation by noting the objectives of the update includes understanding the magnitude of financial impact to the District, increasing awareness for actions taken by the District to stabilize phasing operations and framing future policy direction. Pete Mayer was then introduced and gave an update of the State and County data related to number of COVID cases and deaths as of April 25th. He noted the State is reporting 13,521 positive cases while the Pierce County has reported 1,244 positive cases. Mr. Mayer also commented on the federal and state guidelines that are currently in place dealing with critical elements that affect the speed of phased recovery and opening. Staff noted that public parks and recreation agencies are taking a multi-state approach to a recovery framework that pledges commitment to public health guidance, emphasizes parks and recreation as a low cost and effective public health intervention. Activities for early consideration include those such as summer camps, hiking fishing, and golf. The recovery framework also includes support for PPE and safety supplies and relief funding to retain staff.

Erwin Vidallon then gave a brief overview of the nations economic conditions including the fact that there are now over 22 million unemployment claims. Nationally consumer sentiment was reported at 71 points along with a decline in monthly retail sales. Commissioners were then reminded of funding sources of the District including 44% from earned revenue, 20% from sales tax, 27% from property tax and 10% coming from other sources such as foundations, private funding and other funding. Mr. Vidallon commented that at this current time the District is predicting a revenue short fall of $12.8M (March – August). Several graphs depicting the forecasted shortfalls from property and sales tax were also highlighted by staff. Mr. Vidallon stated that steps have been taken by the District to control expenditures starting on March 23rd. These steps include phased closure of facilities, hiring freeze, no overtime usage, no new contracts, existing contracts significantly pared down or put on hold, only essential purchase, no new equipment, and business travel halted. Effective April 1st 530 part-time staff were laid off. Effective April 16th management & leadership furlough reduction in salaries was put in to place. Effective April 18th 148 career full-time & part-time benefited staff were furloughed.
Staff commented that with these actions, a reduction in utilities and use of fund balance & reserves there will be a total estimated savings $7.5 M through June 30th.

Alan Varsik reported on the seven criteria that the District is using to determine essential and non-essential operations during this crisis. Criteria is as follows: Animal & plants, safety & security, incident response, continuity of government, maintaining & repairing critical utilities State/County requests for assistance, and primary business support for essential functions.

Marina Becker reported on the specific essential and non-essential functions of the District during this pandemic being performed by the 22% of District employees that have been retained. Ms. Becker stated that thus far MPT essential functions include: emergency childcare, animal welfare & plant care, grounds maintenance & safety, major maintenance & building assets, and key business operations to support these essential functions. Non essential functions outlined by Ms. Becker include closed facilities, restrooms, parking lots, play structures, skate parks and picnic shelters, as well as suspension of programs. She noted that capital design and development are under a case-by-case review and construction projects have been suspended.

Joe Brady was then introduced to speak about the intergovernmental opportunities. Mr. Brady commented that at this point the District has not received any federal or state assistance. Through the CARES Act, Pierce County has received $158M. Mr. Brady stressed that staff leadership and political engagement is key in this area to possibly secure funding from this source. Staff continues to work closely with the District’s federal lobbyist who continues to monitor stimulus legislation V4. Mr. Brady also commented that staff is involved with advocacy initiatives nationally with NRPA, City Parks Alliance, Trust for Public Land, and Western Sates collaboration. Locally the District remains closely engaged with the City of Tacoma and Tacoma Public Schools.

Shon Sylvia stated that the road to recovery from this crisis needs to include stabilization and recalibrating of the park system.
Commissioner Hanberg commented that he wants to see lots of flexibility built in the recovery strategy, as there will be lots of unknowns that remain.
Commissioner Baines commented that contingency plans are key as it will be hard to know what the future holds.
Commissioner Pointer stressed that continued collaboration with the school district is key.
Mr. Sylvia stated that balancing immediate demand, fiscal restraints, and community needs are all extremely important moving forward.

Debbie Terwilleger was introduced and spoke of a conceptual model for reopening. The model shows a gradual and progressive stabilization and ramp up in the summer & into the fall of 2020, with a new normal in place into the winter of 2021 with likely budget reductions and potential long-term health restrictions. Ms. Terwilleger pointed out that there are many considerations that will need to be taken into consideration for a phased reactivation going into summer/fall season. Those considerations include public health and governmental guidance, revaluations for community priorities, and the financial health of the District. Staff noted with this stabilization phase staff will be using additional criteria to bring things back on line. These criteria include equity & geographic balance, innovation in meeting community needs, cost recovery/revenue opportunity, staffing & budget constraints, contractual & partnership considerations, regulatory requirements, and physical & emotional health of the community.
Staff noted that beyond 2021 recalibrating the system will be necessary. Ms. Terwillegar stated that re-evaluating a longer term strategic direction will be important.

Shon Sylvia remarked that there is a need for future policy discussions by the Board. Those discussions may include criteria for the District’s capital program and its relationship to economic recovery. Board and staff will also need to explore cost recovery expectations. Mr. Sylvia continued by noting there will also be a need for dialogue about staffing models & resetting core responsibilities of the District, revisiting financial polices and getting a mid-year budget update & forecast.

Mr. Sylvia stated that staff is planning for the following next steps:

- MPT strategic workshops & collect community data April-June
- Plan presented to reopening parks and assets as part of our Park Stabilization Plan; May 11 Study Session
  review capital program
- JMAC and Board’s position in recovery May 18 COW
- Strategic Direction + 2021-22 Budget Process: June 8 Study Session
  recalibrating the park system scope & critical path

President Reid commented that he likes the current plan as delivered by staff this evening as it allows the District to be nimble moving forward. He requested continued information and communications.

Commissioner Baines commented that the District is a leader in the community and there is still the need to make a difference to serve those in the community.

**PRESIDENTS REPORT**
President Reid encouraged the District and all citizens to stay the course during this difficult time.

**STANDING COMMITTEE AND COUNCIL REPORTS** None

**EXECUTIVE DIRECTOR’S REPORT** None

**COMMUNITY COMMENTS**
No community comments received.

*Community comment is encouraged to be submitted in advance of the meeting in written form. Please submit written comments to the Board by 5pm on April 27, 2020 by e-mailing them to Jennifer Bowman at jenniferb@tacomaparks.com Comments may also be left on voicemail at 253-305-1091 by 5pm on April 27, 2020. Comments will be compiled and sent to Board members in advance of the meeting.*

**MINUTES OF THE APRIL 13, 2020 REGULAR BOARD MEETING**
Commissioner Pointer moved to adopt the minutes as presented; seconded by Commissioner Hanberg and passed on a vote of 5-0.
CONSENT AGENDA None

PURCHASING RESOLUTIONS None

PUBLIC WORKS PURCHASING RESOLUTIONS None

SINGLE READING RESOLUTIONS

RESOLUTION NO. R23-20: AUTHORIZING RESOLUTION FOR 2020 WASHINGTON STATE HISTORICAL SOCIETY HERITAGE CAPITAL GRANT- FORT NISQUALLY LIVING HISTORY MUSEUM

Commissioner Hanberg moved adoption of the resolution; seconded by Commissioner Pointer. Debbie Terwilleger commented that applications for the 2020 Heritage Capital Projects program are now being accepted. This application will be for Fort Nisqually Phase II Building Improvements, which was identified in the District's Capital Program.

Being no additional comments the question was called and resolution passed on a vote of 5-0.

RESOLUTION NO. R24-20: APPROVING CONVERSION FOR STREET RIGHT OF WAY INTO REAL PROPERTY AT SWAN CREEK PARK

Commissioner Hanberg moved adoption of the resolution; seconded by Commissioner Pointer. Debbie Terwilleger commented that this resolution is needed to enter the necessary agreement to convert remnant street right of way into real property. This action will facilitate the construction of park improvements at Swan Creek. A map of the park was shown for reference. Staff reminded the Board that the street system in the park is from post WWII housing that was formerly located there.

Staff commented that other State RCW and City Code require a payment for right of way vacation. Cost for this action will be $.19/SF.

Being no additional comments the question was called and resolution passed on a vote of 5-0.

_____________________________ Clerk
MEMORANDUM

TO: Board of Park Commissioners

THROUGH: Shon Sylvia, Executive Director

FROM: Alan Varsik, Director of Zoological & Environmental Education

SUBJECT: Purchasing Resolution

DATE: May 6, 2020

EXECUTIVE SUMMARY: The attached Purchasing Resolution seeks Board approval to enable the Executive Director to enter into the necessary agreements for the purchase and acquisition of the goods and services detailed in Exhibit A to the Resolution and in the supporting information below.

Proposed goods and services proposed for purchase and/or acquisition:

Item No. 1

- VENDOR Honeywell International
- GOODS OR SERVICE Energy Management Software & DDC System Support
- PRICE $147,362.76 for five-year agreement (including WSST)
- SOURCE OF FUNDING PDZA Operations Budget
- CONTACT Alan Varsik, (253) 404-3634

BACKGROUND: Honeywell International provides ongoing software maintenance, patches and version upgrades for the customer’s Enterprise Building Integrator (EBI) located in the Pacific Seas Aquarium. Honeywell will provide software patches every 3 months on average. Software version upgrades are issued every 18 months on average.

This includes all expenses to perform the inspection services described above for the Equipment and Software. The costs for labor and travel for repair work, emergency service, and any replacement materials are not included, if emergency service is required, PDZA will receive a (4) hour response time and will be billed at a contract customer preferred labor rate of $178.00 per hour.

Honeywell will provide customer access to an Internet-based application that will allow the staff to securely submit non-emergency service requests online; view status of all service calls,
whether scheduled, open or closed; view appointments and task detail of work performed on contracted service calls; and view contract and equipment coverage details.

Honeywell software and DDC controls were selected for Aquarium Life Support and Building Operating Systems as a part of the GCCM process during construction and provide a critical service for maintaining the life support of endangered species.

**FISCAL IMPACT:** Funds will come from PDZA department operating budgets.

- Annual price year 1: $25,188 (plus $2569.18 WSST)
- Annual price year 2: $25,943 (plus $2646.19 WSST)
- Annual price year 3: $26,721 (plus $2725.54 WSST)
- Annual price year 4: $27,523 (plus $2807.35 WSST)
- Annual price year 5: $28,348 (plus $2891.50 WSST)

**ADDITIONAL INFORMATION:** For additional information, please contact Alan Varsik, Director of Zoological & Environmental Education at 253-404-3634.
METROPOLITAN PARK DISTRICT OF TACOMA

PURCHASING RESOLUTION NO. P27-20

AUTHORIZING PURCHASE OF GOODS AND SERVICES FOR METRO PARKS TACOMA

WHEREAS, the Board of Park Commissioners have established policies governing the purchase of goods and services for Metro Parks Tacoma through the adoption of Resolution No. RR21-15, Authorizing Amendment of the Purchasing Policy for the Metropolitan Park District of Tacoma; and

WHEREAS, the Board of Park Commissioners through the adoption of Resolution No. R51-02, Adopting Board Policies and Procedures, authorized the use of a Purchasing Resolution for consolidation of all purchases seeking approval by the Board of Park Commissioners; and

WHEREAS, Metro Parks staff recommends the Board of Park Commissioners authorize the purchase of goods and services detailed below; now, therefore, be it

RESOLVED by the Board of Park Commissioners of the Metropolitan Park District of Tacoma to authorize the Executive Director to enter into the necessary agreements to purchase or acquire the following goods and services as detailed in Exhibit A to this resolution.

The foregoing resolution was adopted by the Board of Park Commissioners of the Metropolitan Park District of Tacoma at a meeting held on __________, 2020.
